Spotting dots accurately. Choose two letter shapes that **online Quran tuition UK** the tutor says the learner confuses. Look first at the main shape, then at how many dots it has and where they sit. Cover the first example before showing the second. Ask the learner to describe one visible difference.

Working with a teacher's recitation model. Agree on a short listening unit before pressing play or asking the tutor to read. Listen to the whole unit **kids quran classes online** once before attempting to echo it. Ask the tutor which single feature to listen for on the next attempt. Avoid correcting several features on the strength of one playback.

Ask the learner which of the two activities felt easier and why. Refer to the example they actually tried when agreeing on a home-practice task.
