Repairing a reading slip. quran classes for kids Agree on a discreet signal that means pause and look again. Let the learner return to the start of the short unit rather than guess at several sounds in succession. Have the learner identify the point where the second reading changed. Leave technical correction to the tutor.

Following Arabic print. Use a blank strip of paper just below the line so the text remains visible. Let the teacher model the direction of travel, then let the learner move the strip. Watch where the learner's eyes return after a pause. If they restart on another line, shorten the passage online Quran tuition UK and try again.

For the next session, keep one activity familiar and change the example in the other. This makes it easier to see which skill the learner can use independently.
