Doing the test takes about five minutes and requires no download. Here is how it rice purity test works.

1. Open the test on your phone or laptop.
2. Read each of the 100 statements.
3. Check each experience you have had.
4. Submit to see your score.

The result is 100 minus the statements you checked. A good site counts it for you and shows what the number means.

Before you start

- Answer honestly; your answers stay on your screen.
- Go with your first reaction.
- Pick a site that does not ask you to sign up.

Above all, it is a game, not a test of character.
