2. **The Ascent:** The gamer starts at the bottom row. Each row includes a set variety of tiles (e.g., 3 tiles in a 3-column game).
3. **The Goal:** The gamer must select one tile per row, moving upward step-by-step.
4. **The Catch:** Hidden behind specific tiles are obstacles (typically portrayed as skulls, bombs, or traps), while safe tiles expose multipliers, gems, or stars.
