Today, live blackjack is no longer almost beating the dealer to 21. Thanks to the combination of awesome **side bets**, players can inject additional volatility, massive payout capacity, and a whole new layer of strategy into their sessions.

For players looking to understand how these optional wagers work, what the chances look like, and how to approach them responsibly, this detailed guide covers everything there is to understand about live blackjack with side bets.

What Are Live Blackjack Side Bets?

In standard blackjack, a gamer wagers on a single result: will their hand beat the dealership's hand without busting? A side bet is a completely different wager put *before* the cards are dealt, focusing completely on the specific structure of the player's preliminary 2 cards, or the mix of the player's cards and the dealer's upcard.

Crucially, **a side bet does not depend upon the result of the main blackjack hand**. A player can completely bust their main hand and still win a massive payout on a side bet if the right card combination lands. Alternatively, winning the main hand has no bearing on whether a side bet wins or loses.

Live dealer studios have actually mastered the art of side bets. Utilizing advanced optical character recognition (OCR) and high-definition streaming, live dealerships perfectly manage these extra wagers in real-time, bringing the electrical environment of a brick-and-mortar gambling establishment directly to the gamer's screen.

The Most Popular Live Blackjack Side Bets

While different software companies-- such as Evolution, Playtech, and Pragmatic Play-- provide their own exclusive versions, numerous traditional side bets control the live casino landscape.

Here are the most typical side bets come across in live blackjack:

1. Perfect Pairs

The **Perfect Pairs** side bet wins if the gamer's very first two dealt cards form a set. The payout depends upon the exact nature of the pair, classified into three tiers:

- **Mixed Pair:** Same rank, different fits and colors (e.g., King of Hearts and King of Spades).
- **Colored Pair:** Same rank, exact same color, different fits (e.g., King of Hearts and King of Diamonds).
- **Perfect Pair:** Exact exact same rank and match (e.g., two Queens of Clubs).

2. 21 +3

The **21 +3** side bet bridges the gap in between blackjack and three-card poker. It utilizes the gamer's very first two cards combined with the dealer's face-up card to form a basic three-card poker hand. Winning mixes include:

- **Flush:** All 3 cards share the same fit.
- **Straight:** Three consecutive-rank cards.
- **Three of a Kind:** Three cards of the precise very same rank.
- **Straight Flush:** Three consecutive cards of the specific same match.
- **Suited Trips:** Three identical cards (exact same rank and match).

3. Bet Behind

While technically a function rather than a card-based side bet, **Bet Behind** enables players who are waiting on an empty seat at a live table to wager on the hand of a seated player. Many live tables likewise include side bets into the Bet Behind function, enabling viewers to participate completely in the action.

Side Bet Odds and House Edge Comparison

While side bets offer the appeal of life-altering payouts-- in some cases reaching 100:1 or higher-- they usually come with a **significantly greater house edge** than the base blackjack video game.
