What is the Aviator Game?

Established by Spribe, Aviator is a social multiplayer game coming from the "crash game" genre. Unlike traditional fruit machine with spinning reels or table video games with complex rules, Aviator is constructed around an increasing curve that can crash at any time.

The premise is uncomplicated:

1. **An aircraft takes off**, and with it, a multiplier coefficient begins to increase.
2. **Gamers place a couple of bets** before the round starts.
3. **The objective is to cash out** before the lucky aircraft flies away (crashes).
4. If a player squanders in time, they win their stake increased by the present coefficient. If the aircraft flies away before they cash out, the bet is lost.

This blend of timing, psychology, and danger management has made it a staple throughout nearly every significant betting site in Kenya.
