What is the Big Bass Crash Game?

Unlike standard slots where players spin reels and wait on matching symbols, Big Bass Crash is a **multiplier-curve game** (often described merely as a "crash game").

In this format, players position a wager before a round begins. When the round begins, a visual graphic removes-- in this case, the intrepid angler speeding throughout the water in his boat. As the boat takes a trip further, an on-screen multiplier climbs higher and greater, beginning at 1.00 x and in theory reaching infinity (though topped at a maximum win limitation).
