Popular Configurations for Adult Spaces

Makers have adjusted to the adult market by providing setups that exceed the standard twin-over-twin setup.

Ideal for couples or adults who choose more sleeping space. A double mattress on both the leading and bottom tiers can easily accommodate 2 grownups per level, making holiday homes and big visitor spaces extremely effective.

2. The L-Shaped Bunk Bed

A wonderful alternative to standard stacked bunks. The beds are organized at a right angle, which develops a lower profile, eliminates the sensation of being "confined" on the bottom bunk, and leaves a helpful nook below for a desk or sofa.

3. Triple Sleeper (Double Bottom, Single Top)

A traditional configuration that uses optimum flexibility. It accommodates a single sleeper on leading and two on the bottom, perfect for family spaces or accommodating guests of varying party sizes.
