FAQ About Dumpster Rental Service

How long can you keep a rented dumpster?

Typically, you can keep a rented dumpster for a period of 7 to 14 days, depending on the rental company. Some companies may offer extended rental periods for an additional fee, so it's wise to confirm specifics with the provider.

What items can I put in a dumpster?

You can generally put construction debris, household junk, and yard waste in a dumpster. However, hazardous materials, electronics, and appliances are usually not allowed. Always check with your rental company for a complete list of prohibited items.

Do I need a permit for dumpster rental in Thornton?

In Thornton, a permit may be required if you plan to place the dumpster on a public street or sidewalk. It's best to check with the local municipality to ensure compliance with local regulations before renting.

How do I choose the right size dumpster?

To choose the right size dumpster, consider the scope of your project. For small cleanouts, a 10-yard dumpster suffices, while larger renovations may require 20 to 30 yards. Assess the volume of waste you'll generate to select appropriately.

Community-Focused Waste Solutions

As a proud part of the Thornton community, Junkaroo Dumpsters Rentals is dedicated to providing eco-friendly waste management solutions. We prioritize recycling materials whenever possible, ensuring that a significant

portion of what you dispose of is diverted from landfills. Our efforts contribute to a healthier environment and a cleaner community. When you choose our dumpster rental service Thornton CO, you're not just getting a dumpster; you're also **dumpster rental near Thornton** supporting local sustainability initiatives.
