FAQ About Dumpster Rental

What sizes of dumpsters are available for rental?

Dumpster rental sizes usually range from 10 to 40 cubic yards in Detroit. Smaller sizes, like 10 or 20 yards, are ideal for home cleanouts, while larger sizes, like 30 or 40 yards, are suitable for construction projects or major renovations.

How long can I keep a rented dumpster in Detroit?

Most dumpster rentals in Detroit allow you to keep the dumpster for 7 to 14 days, though this can vary by provider. Extended rentals are possible, but they may incur additional daily charges.

What items are prohibited in a rented dumpster?

Prohibited items in rented dumpsters typically include hazardous materials, electronics, tires, and certain appliances. Always check with your rental company for a complete list of restricted items to avoid extra charges.

How do I choose the right dumpster size?

To choose the right dumpster size, consider the volume and type of waste you need to dispose of. For home renovations, a 20-yard dumpster may suffice, while larger projects might require a 30 or 40-yard dumpster. Consult with rental companies for guidance.

Environmentally Sustainable Disposal Practices

Choosing dumpster rental near Detroit also means you are participating in environmentally responsible waste management practices. Bulwark Dumpster Rental takes pride in our commitment to sustainability. We ensure that your waste is disposed of correctly and, whenever possible, we recycle materials to reduce the landfill impact. This

is particularly important in Detroit, where environmental concerns continue to arise as the city evolves. By using our services, you can feel confident that you are making a positive choice for both your neighborhood and the environment.
