- **The goal:** Minimize danger while keeping the door open for a high-paying payout.

3. Bankroll Management

- **Set a Budget:** Decide how much cash you are willing to spend before you begin playing, and never ever surpass that limitation.

- **Chase Losses:** Never attempt to win back lost money by increasing your stakes recklessly. This is the fastest method to deplete a bankroll.
- **Know When to Walk Away:** Whether you are winning or losing, set a time frame or an earnings goal for your gaming session.
