- **Direct Database Storage:** Scores are not printed on physical paper certificates that can be easily forged; rather, they are stored safely in the Pearson candidate portal, where organizations validate them digitally via a safe Score Report Code (SRC).

The Harsh Reality: Can You Really Buy a PTE Certificate?

They log directly into the official Pearson confirmation portal using the distinct Score Report Code. If a score does not exist in the database, the fraud is instantly discovered.
3. **Financial Extortion:** In nearly all recorded cases, individuals who send out money to these companies find themselves blocked right away after the payment clears. Additionally, they are blackmailed into paying "additional clearance fees" or "custom-mades taxes" for files that will never show up.
