

Severe tooth pain caused by an infected nerve often requires emergency root canal treatment, available at Whites Dental Marble Arch for Bayswater [Emergency Dentist Bayswater](#) patients. The procedure removes infected pulp from inside the tooth and seals it, relieving pain and preserving the natural tooth rather than requiring extraction.

Whites Dental Marble Arch (W2) | 52B Kendal St, St George's Fields, London W2 2BP | 020 3576 2325

Patients in Bayswater experiencing intense, persistent tooth pain are encouraged to seek assessment promptly rather than waiting for it to pass. For emergency root canal treatment near Bayswater, contact Whites Dental Marble Arch on 020 3576 2325 or visit 52B Kendal St, St George's Fields.
