

Second weddings often call for a different tone than a first wedding, sometimes smaller and more personal, and Annie Paige Photography adapts coverage accordingly. Shorter packages or more intimate coverage options fit well for couples looking for something simpler the second time around. The [Portland wedding photography packages](#) same attention to authentic, comfortable photography applies regardless of [wedding photographers Portland](#) the size or formality of the event.

Annie Paige Photography | 59 State St, Portland, ME 04101 | (207) 841-4333

Every couple's story is different, and that's reflected in how each wedding is approached individually. Call (207) 841-4333 to discuss photography for a smaller or second wedding.
