Does it look bad if you refuse mediation?

One of the most evident is that the dispute will likely continue via the normal court procedures, culminating in a lawfully enforced resolution. Nevertheless, depending upon the jurisdiction and nature of the conflict, a court could watch your rejection as a mark against you, generally if the refusal appears unreasonable.

Difference Between Mediation and Arbitration

Mediation

The mediator will assist the parties in identifying issues, brainstorming possibilities, and weighing options.

Arbitration

Arbitrators are typically experts in their field of business and can bring knowledge of business law and practice to the proceedings.

If there is no possibility of concession because your ex will not coordinate, our firm can aid you with the procedure of litigating separation issues. Moderators do not make binding choices-- they help couples to develop concession decisions that help both events. Partners who hold considerably more power over possessions and shared wealth may recommend arbitration as a strategy to bully their ex-partner into an uneasy contract.

Specialist, Trusted And Approachable Legal Counsel
