What is the Aviator Game?

Established by Spribe, Aviator is a social multiplayer game that falls under the "crash game" category. Unlike traditional slots or table video games like roulette and blackjack, Aviator does not feature reels, paylines, or basic card decks.

Rather, the core mechanic is refreshingly easy:

1. **The Takeoff:** A little airplane takes off, and as it climbs up higher, a multiplier coefficient increases quickly (beginning at 1.00 x).
2. **The Flight:** The plane can fly away at any unforeseeable second.
3. **The Cash Out:** Players must place a bet and struck the "Cash Out" button *before* the plane flies away. If they squander successfully, their stake is multiplied by the current coefficient. If the aircraft flies away before they cash out, the bet is lost.

This mix of quick gameplay, suspense, and gamer company has actually made Aviator a staple of the Kenyan online video gaming scene.
