FAQ About Dumpster Rental

How long can I keep a dumpster rental?

Generally, dumpster rentals in Boston can be kept for 7 to 14 days. However, specific rental terms may vary by company, and it's advisable to check the rental agreement for details on extensions or extra charges for longer use.

What size dumpster do I need for a home renovation?

For a home renovation in Boston, a 10 to 20 yard dumpster is commonly recommended. A 10 yard is ideal for small projects, while a 20 yard is better for larger renovations or multiple rooms, as it accommodates more debris.

What items are prohibited in dumpster rentals?

In Boston, prohibited items in dumpster rentals often include hazardous materials like paint, chemicals, batteries, and tires. Additionally, appliances containing refrigerants and electronics are usually not permitted, so it's best to check with your rental company.

How do I choose a dumpster rental company in Boston?

To choose a dumpster rental company in Boston, consider factors like pricing, customer reviews, size and availability of dumpsters, and their recycling practices. Getting quotes from multiple providers can also help ensure you get the best deal.

Our team can assist you in selecting the best size based on the volume of waste you anticipate, ensuring you don’t pay for more than you need while having enough space to handle your debris.

The Benefits of Choosing Home Plate Dumpster Rental for Dumpster Rental Boston MA

Choosing Home Plate Dumpster Rental for your **temporary dumpster rental near Boston** dumpster rental in Boston comes with many perks. Our focus to customer service means you will get timely delivery and pickup, allowing you to focus on your project without worrying about waste disposal. Additionally, we offer adaptable rental periods, meaning you can keep the dumpster as long as you need it without feeling rushed.

We also prioritize sustainable disposal practices, recycling and handling waste materials in a way that minimizes environmental impact, ensuring you can feel good about how your waste is managed.
