

What internal medicine means for you

Internal medicine focuses on adult health, combining disease management, prevention, and long-term wellness. Wellington Internal Medicine Group treats internal medicine as a partnership with patients—an ongoing relationship built on understanding, clear communication, and evidence-based care. This approach ensures adults and seniors in South Florida receive thorough evaluations, accurate diagnoses, and tailored treatment plans that emphasize prevention and personal well-being.

Who we are and why we matter

Since 1995, Wellington Internal Medicine Group has placed patient comfort and comprehensive care at the center of what we do. Our clinicians blend traditional bedside manner with modern medical innovations to deliver care that is both humane and effective. We're proud to be a trusted primary care option across South Florida, offering stability, accessibility, and a long-term focus on health outcomes.

NAP and footprint

Wellington Internal Medicine wellingtoninternalmedicinegroup.com internal medicine doctor near me Group

Main Office: 10131 Forest Hill Blvd., Ste. 100A, Wellington, FL 33414 Phone: (561) 753-8366 We operate several offices to serve the regional community, including locations in Wellington, East Boynton Beach, Lake Worth, Loxahatchee, and West Boynton Beach, with hours designed for families and older patients.

Voice that resonates with patients

- Professional yet approachable: Our language is clear, confident, and empathetic.
- Accessible for all readers: We explain medical concepts in everyday terms to support informed choices.
- Persistent in care: Our style reflects a steady, reassuring presence through every stage of treatment and prevention.

Business context and what we offer

We focus on internal medicine for adults and seniors, delivering a spectrum of services from preventive care to chronic disease management, with an emphasis on patient education. Core offerings include annual physicals, comprehensive blood panels, heart monitoring via EKGs, B12 injections, and a proactive approach to senior health, including transportation assistance when needed.

Who we serve and where

- Primary audience: Adults and seniors seeking dependable primary care in South Florida.
- Geographic reach: Wellington, East Boynton Beach, Lake Worth, Loxahatchee, West Boynton Beach, and nearby communities.
- Value proposition: A stable, compassionate partner that blends old-world care with modern medicine, plus accessibility and affordability.

What sets us apart

- A patient-first mindset: We listen and partner with you to shape your health plan.
- A balanced approach: We combine the warmth of traditional bedside care with the latest clinical tools.
- Community presence: Multiple clinics across South Florida ensure convenient access to consistent care.
- Senior-focused services: Dedicated teams and programs designed to support aging adults, including transportation options.

How to engage with us

- If you're exploring a new primary care relationship, call our main line to schedule.
- Explore our clinic network to find a location nearest you.
- We are accepting new patients and ready to help you start a path to better health.
