What is the Crazy Time Demo?

The Crazy Time demo is a simulation of the popular live dealership video game program. While Evolution Gaming's live tables normally require real-money wagers to participate, gamers can access demo modes, video game simulations, or "spectator mode" through different online gambling establishment platforms and evaluation websites.

In spectator mode, users can see live rounds unfold in real-time, tracking how typically different sections hit, observing the [Bitz](#) dealership's interactions, and viewing other players win or lose. Some platforms also offer RNG-based (Random Number Generator) practice versions that duplicate the specific mathematics design and payment structures of the live game.

Key Objectives of Playing the Demo:

- **Learn the Rules:** Understand how the primary wheel and perk rounds operate.
- **Observe Volatility:** Witness how long cold streaks and hot streaks can last.
- **Test Betting Strategies:** Experiment with covering numerous sections without financial risk.
- **Construct Confidence:** Familiarize oneself with the busy environment before playing with real money.

Anatomy of the Crazy Time Wheel

Before diving into the demonstration, gamers should comprehend what they are looking at. The Crazy Time wheel features **54 segments**, divided among numbers and 4 unique bonus video games. Each sector provides a various possibility of striking and a corresponding payment capacity.

Segment on Wheel Number of Pockets Payment/ Multiplier Type **1** 21 1:1 Number **2** 13 2:1 Number **5** 7 5:1 Number **10** 4 10:1 Number **Cash Hunt** 2 Benefit Game Interactive Bonus **Pachinko** 2 Bonus offer Game Drop Bonus **Coin Flip** 4 Reward Game 50/50 Multiplier **Crazy Time** 1 Perk Game Ultimate Mega Bonus

As seen in the table above, the numbers 1 and 2 control the wheel, appearing 34 times combined. On the other hand, the desirable *Crazy Time* benefit round only appears once, making it the rarest and most profitable section

on the board.

The Four Bonus Rounds Explained by means of Demo Observation

When players watch or play the Crazy Time demo, their main objective must be to witness how the 4 bonus offer rounds operate. These mini-games are where the massive payments (up to 500,000 x the bet) happen.

1. Coin Flip

- **Frequency:** 4 segments on the wheel.
- **How it works:** A coin with a red side and a blue side is turned by an automated device. Each side is assigned a random multiplier before the flip. Whichever side lands face-up wins the gamer that multiplier.

2. Pachinko

- **Frequency:** 2 sectors on the wheel.
- **How it works:** Inspired by the standard Japanese arcade game, a puck is dropped from the top of a board filled with pegs. The puck bounces down and lands in among several multiplier slots at the bottom, or in a "DOUBLE" slot, which doubles all multipliers on the board and activates another drop.

3. Money Hunt

- **Frequency:** 2 sections on the wheel.
- **How it works:** A giant screen shows 108 random multipliers hidden behind shooting gallery signs (such as a cactus, a target, or a constable's star). Players utilize an on-screen cannon to aim and shoot at one symbol before time runs out, exposing their covert multiplier.

4. Crazy Time

- **Frequency:** 1 section on the wheel.
- **How it works:** The ultimate bonus offer round. Gamers are transported behind a huge red door into a lively, virtual world featuring a massive 64-segment wheel. The player should pick one of three flappers (Green, Blue, or Yellow). The wheel spins, and whatever multiplier the picked flapper indicate is awarded. If it lands on "DOUBLE" or "TRIPLE," all multipliers on the wheel are increased appropriately, and the wheel spins again.

Why You Should Always Use the Crazy Time Demo First
